EgyptAir Business Class 777 Cabin Layout and Seating

The EgyptAir business class 777 cabin is designed to provide passengers with a spacious and comfortable environment suitable for both work and relaxation. The aircraft features a modern cabin layout with a focus on privacy, ample legroom, and ergonomic seating that enhances the overall flying experience.

Seating Configuration

Typically, the EgyptAir business class on the Boeing 777 is configured in a 2-3-2 layout, offering a total of 34 to 42 seats depending on the specific aircraft variant. Each seat is designed to maximize personal space, allowing passengers to enjoy a restful journey. The seats recline fully into lie-flat beds, providing optimal comfort for long-haul flights.

Seat Features and Comfort

Seats in EgyptAir business class 777 come equipped with adjustable headrests, lumbar support, and ample padding for enhanced comfort. Passengers benefit from direct aisle access in many seats, which is a significant convenience factor. Additionally, the seats feature USB ports, power outlets, and ample storage compartments for personal items, ensuring a productive and relaxing flight.

In-Flight Amenities and Entertainment

EgyptAir business class 777 offers a range of in-flight amenities designed to enhance passenger comfort and entertainment options throughout the journey. These amenities cater to business travelers and leisure passengers alike.

Entertainment System

The in-flight entertainment system in EgyptAir business class on the Boeing 777 includes a large personal touchscreen monitor with a diverse selection of movies, TV shows, music, and games. The system supports multiple languages and is regularly updated to provide the latest entertainment options. Noise-canceling headphones are provided to ensure an immersive experience.

Wi-Fi and Connectivity

Wi-Fi services are available on selected Boeing 777 flights, allowing business class passengers to stay connected for work or leisure. EgyptAir offers various data packages to suit different needs, enabling email access, video streaming, and social media use during the flight.

Dining Experience in EgyptAir Business Class 777

Dining in EgyptAir business class 777 is a highlight of the journey, reflecting the airline's commitment to offering high-quality cuisine with a focus on fresh, locally inspired dishes as well as international favorites.

Meal Service

Business class passengers can expect multi-course meals served on elegant tableware. The menu includes a selection of appetizers, main courses, and desserts, prepared with attention to detail and presentation. Special dietary requirements can be accommodated upon advance request.

Beverage Selection

The beverage menu features a variety of options, including premium wines, champagnes, spirits, soft drinks, and freshly brewed coffee and tea. EgyptAir also offers traditional Egyptian beverages and flavors, providing a cultural touch to the in-flight dining experience.

Additional Benefits and Services for Business Class Passengers

Beyond seating and dining, EgyptAir business class 777 passengers enjoy a range of exclusive services and benefits designed to make their travel experience more seamless and enjoyable.

Priority Check-In and Boarding

Business class travelers have access to dedicated check-in counters and priority boarding lanes, reducing wait times and streamlining the airport experience. This service is particularly valuable for busy professionals and frequent flyers.

Access to EgyptAir Lounges

Passengers flying business class on EgyptAir's Boeing 777 are granted access to the airline's premium lounges, where they can relax before the flight in a comfortable setting with complimentary refreshments, Wi-Fi, and business facilities.

Extra Baggage Allowance

Business class tickets typically include an increased baggage allowance, allowing passengers to bring additional checked luggage without incurring extra fees. This benefit is especially advantageous for long-haul travelers.

- Priority check-in and boarding
- Access to EgyptAir business lounges
- Extra baggage allowance
- Enhanced in-flight service and amenities
- Lie-flat seating with privacy features
