Understanding the Pronunciation of Erin Go Bragh

To answer the question of how do you pronounce erin go bragh accurately, it is important to examine the phonetic components of the phrase. Erin Go Bragh is an anglicized form of the Irish Gaelic phrase *Éirinn go Brách*. Pronunciation varies slightly between Irish Gaelic and English adaptations, but the general accepted English pronunciation is usually approximated as "AIR-in go BRAH" or "AIR-in go BRAW." The first word, "Erin," is a poetic name for Ireland and is pronounced like "AIR-in." The phrase "Go Bragh" translates roughly to "forever" or "until eternity" and is pronounced "go BRAH" or "go BRAW," depending on regional influences and speaker preference.
