The following sections will guide you through the comprehensive breakdown of Killing Stalking publications and essential information about the series.

- Number of Killing Stalking Books
- Overview of Killing Stalking Manga Volumes
- Special Editions and Extras
- Publication History and Availability
- Related Media and Spin-offs

Number of Killing Stalking Books

The primary question of how many Killing Stalking books are there centers around the main manga series volumes. Killing Stalking was originally serialized as a webtoon before being compiled into physical volumes. As of the latest update, the series consists of two main parts, each containing multiple volumes. The total number of official Killing Stalking books currently available is 8 volumes. These volumes encompass the entire storyline, from the initial introduction of characters to the climax and resolution of the plot.

Each volume collects several chapters of the series, offering a complete reading experience in physical or digital form. Aside from the main volumes, there are also additional materials such as art books and anthologies that enrich the fan experience but are not counted among the canonical Killing Stalking books.

Main Series Volume Count

The Killing Stalking manga series is divided into two parts:

- **Part 1:** Comprises 4 volumes covering the early chapters and the development of the central characters.

- **Part 2:** Also consists of 4 volumes, continuing from where Part 1 left off and concluding the story.

These 8 volumes together form the complete Killing Stalking narrative as intended by the author Koogi.

Overview of Killing Stalking Manga Volumes

The Killing Stalking books are known for their dark psychological themes, intricate plot, and intense character dynamics. Each volume is carefully compiled to maintain a steady progression of the storyline while providing additional insight into the characters' backgrounds and motivations.

Volume Breakdown

The volumes are structured to include approximately 6 to 8 chapters each. This format allows readers to engage deeply with the story without feeling overwhelmed. The chapters are rich with suspense and emotional depth, which is a hallmark of the series.

- **Volume 1:** Introduction to the main characters, Yoon Bum and Oh Sangwoo, setting the tone for the psychological thriller.
- **Volume 2:** Exploration of the complex relationship dynamics and the dark pasts of the characters.
- **Volume 3:** Heightened tension and developments in the plot that push the characters to their limits.
- **Volume 4:** Critical turning points and revelations that deepen the narrative.
- **Volumes 5-8:** Continuation and conclusion of the story, resolving key conflicts and character arcs.

This detailed volume breakdown helps readers track their progress and understand the narrative flow within the Killing Stalking series.

Special Editions and Extras

In addition to the main Killing Stalking books, there are several special editions and extra materials that fans may encounter. These do not add to the canonical story count but offer valuable content for enthusiasts and collectors.

Art Books and Fanbooks

Several art books showcase Koogi's artwork, character designs, and behind-the-scenes sketches. These publications provide a visual journey through the series and often include commentary from the author.

Anthologies and Side Stories

Anthologies feature short stories or side plots related to Killing Stalking characters or themes. They expand on minor characters' backgrounds or explore alternate scenarios within the Killing Stalking universe.

Collector's Editions

Some editions combine multiple volumes or include bonus content such as posters, bookmarks, or additional illustrations. These editions are popular among collectors who want a more immersive experience.

Publication History and Availability

Understanding how Killing Stalking books were published and their availability is essential for readers looking to purchase or collect the series. The webtoon originated on digital platforms before being adapted into print volumes.

Serialization and Print Release

Killing Stalking was first published as a webtoon on digital platforms, attracting a large fanbase due to its unique storytelling style. Following its success, the series was compiled into print volumes, making it accessible to a broader audience. The print versions maintain the original artwork and story while providing physical copies for collectors.

International Releases

The Killing Stalking books have been translated into multiple languages, increasing their global reach. Official English translations are available, ensuring that non-Korean readers can enjoy the series. Availability varies by country and region, with some volumes being harder to find than others.

Where to Find Killing Stalking Books

- Major bookstores and comic shops
- Online retailers specializing in manga and graphic novels
- Digital platforms offering official e-book versions

Collectors should always seek authorized editions to ensure quality and support the original creators.

Related Media and Spin-offs

While the main focus remains on the Killing Stalking books, the series has inspired related media and spin-offs that complement the original story. These include adaptations, merchandise, and fan-created content.

Adaptations and Audio Dramas

Although there is no official anime adaptation of Killing Stalking as of now, audio dramas and fan-made animations have surfaced, reflecting the series' popularity. These adaptations help bring the story to audiences in different formats.

Merchandise and Collectibles

Fans can find merchandise such as posters, clothing, and figures based on Killing Stalking characters. While not books, these items contribute to the overall Killing Stalking fandom experience.

Fan Works and Communities

Numerous fan works, including fan fiction and fan art, expand on the Killing Stalking universe. Online communities discuss theories, character analysis, and share creative content inspired by the series, maintaining active engagement among readers.

Additional Resources

1. Killing Stalking Vol. 1

This is the first volume of the dark psychological thriller manhwa "Killing Stalking" by Koogi. It introduces Yoon Bum, a socially awkward young man who becomes obsessed with Oh Sangwoo, a seemingly charming but deeply disturbed individual. The story delves into themes of obsession, abuse, and survival, setting a chilling tone from the outset.

2. Killing Stalking Vol. 2

The second volume continues the intense and suspenseful narrative as Yoon Bum finds himself trapped and subjected to Sangwoo's twisted control. The psychological cat-and-mouse game deepens, revealing more about both characters' traumatic pasts. The volume explores the complexities of their toxic relationship and the blurred lines between victim and abuser.

3. Killing Stalking Vol. 3

In this volume, the story escalates with heightened tension and emotional turmoil. Yoon Bum's struggle for survival becomes more desperate, and the dark secrets behind Sangwoo's behavior start to unravel. The manhwa maintains its gripping and disturbing atmosphere, captivating readers with its unpredictable plot twists.

4. Killing Stalking Vol. 4

Volume 4 delves deeper into the psychological horror and the disturbing dynamics between the two main characters. New revelations about Sangwoo's past and his motivations come to light, adding layers to his sinister persona. The narrative continues to challenge readers with its raw depiction of trauma and control.

5. Killing Stalking Vol. 5

The penultimate volume intensifies the drama as the consequences of the characters' actions catch up to them. The story explores themes of guilt, redemption, and the possibility of change amidst darkness. The emotional stakes rise, keeping readers on edge as the climax approaches.

6. Killing Stalking Vol. 6

The final volume brings the harrowing tale to a conclusion, resolving many of

the lingering plot threads. Readers witness the culmination of the characters' twisted relationship and the ultimate fate of Yoon Bum and Sangwoo. The ending is both shocking and thought-provoking, leaving a lasting impact.

7. *Killing Stalking Omnibus Edition*

This edition compiles all six volumes of "Killing Stalking" into one comprehensive book. It's ideal for readers who want to experience the entire story in a single collection. The omnibus often includes extra content such as author notes or bonus artwork, enriching the reading experience.

8. *Killing Stalking: The Art of Koogi*

A companion book showcasing the artwork from the series, this collection offers fans a closer look at Koogi's detailed and expressive illustrations. It features character designs, key scenes, and exclusive sketches, providing insight into the visual development of the manhwa. This art book is perfect for enthusiasts who appreciate the aesthetic elements of "Killing Stalking."

9. *Killing Stalking Anthology and Fan Works*

This book gathers various anthology pieces and fan-made works inspired by "Killing Stalking." It includes alternative stories, side narratives, and creative interpretations by different artists and writers. While not part of the official storyline, it celebrates the impact and popularity of the series within its fan community.
