Seating and Comfort

The seating arrangements in Royal Air Maroc economy class are designed to balance comfort with efficiency. Passengers can expect ergonomically designed seats with adequate legroom for short to medium-haul flights, while long-haul aircraft provide slightly enhanced space to improve passenger comfort. The airline operates a mixed fleet including Boeing 737, 787 Dreamliner, and other aircraft models, which influence the seat layout and features.

Seat Dimensions and Layout

Royal Air Maroc economy class typically features a 3-3 seating configuration on narrow-body aircraft such as the Boeing 737, and a 3-3-3 layout on wide-body aircraft like the Boeing 787. The standard seat pitch ranges from 30 to 32 inches, with a seat width averaging 17 to 18 inches. These dimensions are comparable to other full-service carriers, ensuring a generally comfortable journey for economy passengers.

Reclining and Adjustability

Seats in economy class are equipped with adjustable headrests and a moderate recline function to enhance passenger comfort during the flight. While not as spacious as premium cabins, the recline feature allows travelers to find a more relaxed seating position, especially on longer flights.

In-Flight Services and Amenities

Royal Air Maroc economy class passengers benefit from a range of in-flight services designed to enhance the travel experience. These services cater to both entertainment and dining needs, ensuring passengers remain comfortable and engaged throughout their journey.

Meal Service and Refreshments

On medium to long-haul flights, Royal Air Maroc offers complimentary meal service in economy class, featuring Moroccan and international cuisine options. Meals are typically served with a choice of beverages, including soft drinks, tea, coffee, and sometimes alcoholic beverages depending on the route. Short-haul flights provide lighter snacks and refreshments to maintain passenger satisfaction.

Entertainment Options

Passengers traveling in Royal Air Maroc economy class have access to individual seatback entertainment screens on select aircraft, primarily the Boeing 787 Dreamliner. The entertainment system includes a variety of movies, TV shows, music, and games. For flights without seatback screens, the airline may offer streaming services accessible via personal devices, allowing passengers to enjoy onboard entertainment conveniently.

Wi-Fi and Connectivity

Wi-Fi services are available on certain long-haul flights, enabling economy class passengers to stay connected during travel. The availability and pricing of Wi-Fi depend on the flight route and aircraft type, with options for purchasing data packages or accessing limited free services.

Baggage Allowance and Policies

Understanding Royal Air Maroc economy class baggage policies is essential for a smooth travel experience. The airline has clearly defined rules regarding checked and carry-on baggage allowances, which vary based on route and fare type.

Checked Baggage Allowance

Economy class passengers are generally allowed one or two pieces of checked baggage, with weight limits between 23 kg (50 lbs) and 32 kg (70 lbs) per piece depending on the destination. For flights to

and from the Americas, the standard allowance is typically one piece weighing up to 23 kg. It is advisable to verify baggage rules specific to your itinerary before traveling to avoid excess baggage fees.

Carry-On Baggage

Carry-on baggage in Royal Air Maroc economy class is limited to one piece with a maximum weight of 10 kg (22 lbs) and dimensions not exceeding 55 x 35 x 25 cm. Additionally, passengers may bring a personal item such as a handbag or laptop bag. Compliance with these restrictions ensures hassle-free boarding and storage in overhead compartments.

Excess Baggage Fees

Passengers exceeding the baggage limits are subject to excess baggage fees, which vary by route and weight. Royal Air Maroc recommends pre-purchasing additional baggage allowance online at a discounted rate compared to airport prices.

Booking and Ticketing Options

Royal Air Maroc economy class tickets can be purchased through multiple channels, including the airline's official website, travel agencies, and online travel platforms. Various fare classes are available within economy, each offering different flexibility and benefits.

Fare Classes and Flexibility

Economy class fares range from basic non-refundable tickets to more flexible options that allow changes and refunds. Passengers should carefully review fare conditions before booking to select the option that best suits their travel plans. Higher fare classes may include additional benefits such as extra baggage allowance or priority boarding.

Group and Corporate Bookings

The airline also offers special rates and services for group travelers and corporate clients. These options provide customized solutions for businesses and large parties, ensuring competitive pricing and streamlined ticketing processes.

Special Assistance and Requests

Passengers requiring special assistance or accommodations can request these services during the booking process or by contacting Royal Air Maroc customer service. This includes wheelchair assistance, special meal requests, and travel arrangements for infants and unaccompanied minors.

Frequent Flyer Program and Benefits

Royal Air Maroc's frequent flyer program, Safar Flyer, rewards loyal economy class passengers with points and exclusive privileges. Accumulating miles through flights and partner activities enables travelers to enjoy various upgrades and benefits.

Earn and Redeem Miles

Economy class travelers earn miles based on the distance flown and fare class purchased. These miles can be redeemed for award flights, seat upgrades, and additional baggage allowance, enhancing the value of future travel with Royal Air Maroc.

Elite Tiers and Privileges

Safar Flyer includes elite membership tiers that offer benefits such as priority check-in, extra baggage allowance, lounge access, and fast track security. Economy class passengers who frequently fly with Royal Air Maroc can advance through these tiers to enjoy a more premium experience.

Travel Tips for Economy Class Passengers

Maximizing comfort and convenience in Royal Air Maroc economy class requires some practical strategies. These tips help passengers navigate the flight experience smoothly and take advantage of available services.

Seat Selection Strategies

Choosing the right seat can significantly impact comfort during the flight. Passengers are advised to select seats near the front of the cabin for quicker boarding and deplaning or opt for aisle seats for easier access to restrooms and movement.

Packing and Preparation

Adhering to baggage restrictions and packing essentials such as travel pillows, noise-canceling headphones, and entertainment devices can enhance the journey. Additionally, dressing in layers helps adjust to varying cabin temperatures.

Check-In and Boarding

Utilizing online check-in and arriving early at the airport can reduce stress and ensure timely boarding. Passengers should also keep important documents and boarding passes easily accessible.

- Choose seats strategically for comfort and convenience

- Pack light and adhere to baggage limits
- Bring personal entertainment and comfort items
- Use online check-in to save time
- Stay hydrated and move during the flight for health
